Venice Postpones 4th Street Widening

\$110,000 Estimate of Cost Double Amount Originally Considered

The city of Venice temporarily has abandoned its plan to widen and resurface Fourth street south of Broadway because the cost is much higher than expected, Mayor John E. Lee announced during a regular meeting of the city council Friday night.

At the same time the mayor said the estimated cost of the city's share of building the road was 40 percent more than expected, May 1966, when the estimate was \$50,000, and that this is a major factor in foregoing the Fourth street project.

Plans for the Fourth street improvement call for widening the present roadway, also known as State Route 3, from its present 24-foot width to 44 feet. The widening would cover a 2000-foot section extending southward from the Lincoln avenue intersection and would include curbs and guttering as well as stormwater drainage installations.

Cost of the project was to be born on a 50-50 basis by the Illinois State Highway Department and the city of Venice. Venice was to use motor fuel tax funds for its share of the work.

Decision to drop the program for the time being was reached when the state highway department recently notified the city that the estimated cost of the work was \$110,000, with \$55,000 of the cost to be borne by the city. In addition, the city would have to pay for the cost of the work in certain sections of the improved roadway would have to be paid by the city, the state said. These would run about \$12,000 for the total Venice share of \$67,000.

The city share alone thus is more than twice the total cost figure discussed when the project was initiated last January. "At that time," the mayor said, "we were talking about a cost of \$25,000 to the state and \$25,000 to the city. This has turned out to be much higher."

Underpass Cast Up
Mayor Lee said the city is not in the position to pledge that much money to any project at this time because the estimated share of the city's cost of building the Broadway underpass has risen from \$420,000 to \$600,000 due to a general increase in construction costs during the period the project has been delayed. The underpass project, under the original Illinois Commerce Commission order, was to have been completed this year.

Consequently, the mayor explained, the city is going to have (Continued on page 7, col. 4)

Clarence Cook, 71, Retired Fire Chief Of GC, Dies Sunday

Clarence Cook, 71, of Edwardsville, former Granite City fire chief, died at 8:15 p.m. Sunday in St. Elizabeth Hospital, where he arrived nine hours earlier by ambulance after becoming ill at home.

Mr. Cook was chief of the fire department here from 1947 until April 1951 when he retired to accept a position as fire marshal and fire inspector at the Dow Chemical Co. He retired there on Aug. 1, 1958.

Former Chief Cook lived here 37 years and, he and his wife, Frances, who observed their 50th wedding anniversary last June 25, moved to Edwardsville a year ago to reside at 420 Hadley street.

He formerly worked as a pipe fitter helper at the General Steel Industries plant before joining the city fire department on Sept. 4, 1918.

Mr. Cook was a native of DeSoto, Mo., and was a member of Masonic Lodge 37, where he had been ill about two years and for a while was a patient at the Madison County Tuberculosis Sanatorium.

In addition to his wife, he is survived by a son, Edward Cook of Florissant, Mo.; a sister, Mrs. Helen Champion of Tulsa, Okla.; four brothers, Floyd of Sullivan, Mo.; James of St. Louis, Delbert of Lincoln, and Rev. Ralph Cook of Granite City, and three children.

Funeral arrangements are given in today's obituary column.

17 Injured in Quad-City Area Auto Accidents

Seventeen persons were injured during the weekend in 18 Quad-City area accidents. Six persons were killed, and 11 were injured. The accidents occurred in the Quad-City area, including Granite City, Madison, Venice, and Ponton Beach.

Police said he was driving south on Cleveland, while the other auto was operated east on 18th by Raymond F. Tate, 47, of 2001 Fourteenth street. He was admitted to the hospital for injuries to his left arm, back and left leg.

Others hurt were passengers in the Vogel auto. They were Larry Vogel, 7, and Timothy Vogel, 4, both of St. Louis, and Pansy Ward, 14, of Hattie, Mo.

Burglars Get Guns, \$75 Cash At GC Home

Seven Business Places Also Hit; Five Autos Stolen over Weekend

Burglars were active over the weekend in the Quad-Cities, getting an assortment of guns and between \$75 and \$150 in coins from a Granite City home. Burglaries were reported at two homes and seven business places. There also were five auto thefts and three thefts from cars.

Money, Guns Stolen
Between \$75 and \$150 in coins plus several guns and a .38 Smith & Wesson revolver were stolen in a burglary at the home of William Seebold, 2402 (rear) Madison avenue, after 2 p.m. Friday, he reported at 2:50 a.m. today.

The weapons included a 12 gauge shotgun, a three-inch automatic machine gun and a .38 Smith & Wesson revolver. Automatic was gained by kicking in a basement window.

Six silver dollars and a coin collection were stolen from a coin collection in a burglary at the home of William Connolly, 2712 Saratoga avenue, after 5:30 p.m. Sunday, he reported at 6:30 p.m. Entry was gained by forcing the rear entrance.

Legion Hall Burglarized
Burglars entered the Venice-Madison Post 307 American Legion hall Thursday night or early Friday morning, broke open all of the vending and game machines in the bar room, then left all of their burglar tools behind when they apparently were frightened away.

Police reported the intruders climbed through a restroom window. They knocked the combination lock off the door, but were unable to open it, and gathered up several bottles of whiskey and five cartons of cigarettes from the bar. These were left behind with a crowbar, a ball-pen hammer and several screw drivers.

Police said the intruders were using in an effort to pry open the door on the south side of the building.

According to police the burglars broke open and rifled the best of cigarette machine, a bowling machine, a pinball machine and the juke box.

Entry was made through a restroom window at the Robins Nest tavern, 1813 Slough road, Venice, by a burglar who obtained the door by using a crowbar.

Quiet Campaign Starts

(Picture on page 19)
A "quiet" committee of employees at St. Elizabeth Hospital has been appointed to study noise problems at the hospital, and to establish a program for lowering the noise level as much as possible, it was announced today.

"Several patients have commented on the amount of noise they were exposed to from within the hospital, as well as from outside sources, during their stays here," it was stressed by Ronald Allen, chairman of the committee.

"We want to give a high quality of care to our patients, and we realize that excessive noise is annoying to those who are not feeling well."

All mobile equipment is being oiled and checked for rattling parts. Posters have been designed and placed to remind employees to be quiet.

"The committee is asking for help from fellow employees in this campaign. However, the cooperation of those visiting the hospital, as well as motorists driving in the hospital vicinity, is necessary to the success of the program," said Allen.

Located at 2100 Madison avenue, St. Elizabeth is one of the most heavily-trafficked thoroughfares of Granite City. "Hospital-Quiet" signs are posted.

New Record Set At Canal Locks
The Chain of Rocks canal locks set a new all-time record during July for the amount of freight passing through them in a single month. Col. Edwin R. Decker, district engineer of the Army Corps of Engineers, announced Friday.

The Granite City locks reported a record tonnage of 417,515 tons moved through the canal during July, breaking the record by 411,700 tons. It marked the second month this year that traffic using the canal tonnage exceeded the 4-million ton mark.

Tonnage moving up and down river through the canal for the month of July was 4,175,150 tons, or 2,000 tons more than the same period in 1966.

Traffic at Chain of Rocks has increased at a rate of about ten per cent per year during the past ten years.

Five Undergo Surgery At Local Hospital
The following underwent surgery at St. Elizabeth Hospital since Thursday:

Walter Hoffman, 2341 Clark avenue, St. Louis, underwent a hernia operation; Ruby Curtis, 1322 Meridian street; Eleanor Anderson, 4321 Breckenridge lane; Lena White, 4966 Vesel avenue.

County Produces Mansion-Sized Mound of Trash Daily
The reversal will be proposed at a July 16 county board meeting.

Need For Dumps Cited
Clifford, secretary and a non-voting member of the Sanitation Commission, opposes the July 19 board decision on the basis that landfills are needed and that submitting proposals to a special committee would increase the likelihood that they will be rejected. He says that almost invariably will be opposed to the board's decision.

A factor in the decisive county board action in July was the Madison county township residents' opposition to a proposed new 60-acre landfill on Chain of Rocks bridge property adjacent to the existing Chouteau Island Landfill Corp.

Clifford's support of the 60-acre site takes into account the mansion-sized pile of refuse accumulated daily by Madison county residents, and the fact that most dumps are being forced to close by county and state procedural regulations.

GC Auto Dealers Continue Sales Despite Strike

The Automobile Dealers Association of Madison and St. Clair counties has rejected an offer by the dealers for a raise to settle a strike of approximately 400 auto mechanics and body men in dispute over wages.

Seven new car dealers in Granite City are affected by the members of IAM Local 771. Approximately 58 dealers are affected in the two-county area.

The striking mechanics, members of Local 313 of District 9 of the International Association of Machinists, have rejected an offer by the dealers for a raise totaling 51 cents per hour in 18 cents for the third year.

In addition to his parents, he is survived by two brothers, Jackie, 19, and George Jr., 16, and a sister, Mrs. Jennie Hornberger, all of Granite City, and grandparents Vernon and Bessie Lindley.

Funeral arrangements are given in today's obituary column.

Condemnation Action Filed for GC Tract

A condemnation suit was filed by the State Department of Public Works & Buildings in Madison county circuit court in Edwardsville to obtain a tract of land in Granite City for construction of Federal Aid Route 151, the River road.

Named defendants were the Granite City Trust & Savings Bank, trustee, and the First Granite City Savings & Loan Association, mortgagee. The tract involved is at the north-east corner of Cayuga street and McCandless avenue. The suit noted that the parties involved were unable to agree on the amount of payment.

Elks Lodge Bowling Tournament for State To Open Here March 9

4500 Visitors Will be in Area For 8 Weekends

Nearly 4500 visitors every weekend will arrive in Granite City for eight weekends starting March 9, when local Elks Lodge 1063 will be host for the annual Illinois Elks State Bowling Tournament.

Official announcement of the award of the tourney to Granite City was made Saturday afternoon when the contract was signed by Gilbert Woods of Mt. Vernon, the Elks state president; Rex Henly of Jacksonville, state secretary and national president; and C. O. Parker, exalted ruler of Lodge 1063.

General chairman for the tournament will be Vincent Bischof, manager of Yelton Supply Co., who will be assisted by co-chairmen James Kenney and Robert Clark.

The tournament, Bischof said, will be conducted at the 32-lane Bowland and Tri Mor Bowl afternoon when the contract was signed by Gilbert Woods of Mt. Vernon, the Elks state president; Rex Henly of Jacksonville, state secretary and national president; and C. O. Parker, exalted ruler of Lodge 1063.

Now that we've got it, we're going all-out to show the Elks members throughout the state that a wonderful area this is. Most of our tournaments are held in the northern part of the state; now it's our turn," Bischof added.

He explained that the local lodge has been in the business of work three years ago to get the state bowling tournament here.

New Gun Law is Faulty in Many Ways, Dealer Says

New Illinois gun control legislation, signed into law by Gov. Kerner last week, will kill the sale of firearms and ammunition but will do little to combat crime in this area when it becomes effective on July 1 next year, a Granite City gun dealer said today.

Harry Faintich, owner and operator of Lee's Gun Exchange at 1837 State street, described the new law as "an attempt to license the individual rather than the firearm," and said many persons will relinquish their right to possess arms because of the trouble involved in applying for and obtaining a state permit to possess or buy ammunition.

He said anyone wanting a gun "can just go across the river and get one" in St. Louis or any other Missouri city.

Faintich said he has not yet received details of the bill, but that he is awaiting word from the National Rifle Association, which maintains a legal staff to provide gun dealers with such information.

"What I know about the law now says that a person must have a state license to buy a gun or ammunition. I'm sure that there are a lot of people who now own guns but will ignore it because no one knows they own the guns. But even if someone comes in here to buy a box of shells, he needs the license. When a dealer does make a sale, he will have to fill out triplicate forms, one for the sheriff, one for the state and one for his own files."

Other bills approved by the governor include a means of curbing looting during riots, measures providing stronger penalties for armed crimes of violence, additional funds and expanded curriculum for the state's local police and firemen and an increase of from 1100 to 1400 men on the Illinois State Police force.

Governor Kerner signed the bills following his return to Springfield from Washington where he had been sitting for the previous two days on the President's special commission investigating recent riots.

Terms of the new Illinois law requires any person to obtain a firearms owner's identification card from the Public Safety Department before purchasing or possessing firearms or ammunition. The card will cost \$5, but once he has it the holder may purchase any quantity of firearms.

COURTYARD CHORAL CONCERT PRACTICE brings together these singers in the SIU-SW chorus. Trio members in foreground are, from left—Marion Strohmman and James Kossinger of Edwardsville and Jud Travis of Granite City. Piano accompanist is Kathy McCalla of Granite City.

Choral Concert Slated For Friday at SIU-SW

The 65-voice University Summer Chorus at SIU-SW will conduct a 13-song concert in the courtyard of the Peck Classroom Building at 7 p.m. this Friday.

Leonard Van Camp will direct the concert. Some of the songs will be highlighted by instrumental and voice accompaniment, forming singly and in small groups. One such piece is "O Beloved Shepherd" which utilizes flutes, clarinets, piano, cellos, trumpets, voice solo and voice trio.

Although chairs will be available for the audience, viewers have been encouraged to bring lawn chairs and blankets for additional comfort.

The anti-looting bill describes a person who does not have an identification card as subject to arrest, and a dealer who sells a gun to a person who does not have a card also is liable to arrest. In either case the violator is subject to a penalty of up to a year in jail as well as a fine up to \$1000.

Describes Looter

The anti-looting bill describes a looter as anyone who knowingly and without authority of the law enters the premises of another person when normal property security is abnormal because of hurricane, fire, riot, mob action or other reason. A penalty of from three months to six years imprisonment is provided.

The minimum salary laws signed by the governor provide minimum wages of \$500 for police and firemen in cities of from 5000 to 25,000 population, \$550 per month in cities 25,000 to 50,000 and \$600 minimum in municipalities up to 250,000.

The governor said he vetoed the stop and search measure because he questioned its constitutionality. The governor vetoed a similar bill two years ago and said the language used in that card from the Public Safety Department before purchasing or possessing firearms or ammunition. The card will cost \$5, but once he has it the holder may purchase any quantity of firearms.

Farmers to Plan For Iowa Meeting

The Madison County Chapter of the National Farmers Organization will meet at 8 p.m. Wednesday in the Hamel Community Building to make final arrangements for attending a "low farm price" action meeting in Des Moines, Iowa, Aug. 16.

"The basic purpose of the Des Moines meeting is to find out what we can do about low farm prices. We hope for the largest and the most important farm meeting ever held in America," a spokesman for the Madison County group said.

"Season lows on corn and soybeans have already hit weeks before the first bushel has been harvested," he noted.

At Des Moines, NFO members will discuss and vote on proposed courses of action in the face of increased farm costs and lower prices, the spokesman said.

Wednesday planning meeting is open to the public. NFO members have been urging neighbors and local businessmen to attend. An ice cream social will be held after the meeting.

Air conditioned buses have been chartered to leave Edwardsville at midnight Aug. 15, and to return from Des Moines after the Aug 16 meeting. Reservations for the trip, which is open to the public, must be made by Aug. 8.

Area members who are unable to attend the Hamel special meeting and wish information on reservation may contact Henry Canham, Rural Route One, Granite City.

MORE ABOUT County Produces

erdules a July 16, 1977, state law authorizing counties to regulate garbage disposal areas and vehicles used in hauling garbage. On Aug. 26, 1965, state law banning open garbage dumps and on Aug. 18, 1965, state law on registration and regulation of refuse disposal sites and facilities. On April 1, 1966, refuse disposal rules issued by the Illinois Department of Public Health.

Purpose of the county disposal site and sanitary landfill law is "to promote and protect the general health and the control of disease throughout Madison County." It has been praised as an effective law making good use of the experience encountered by other governmental units in enforcing similar regulations elsewhere.

Permit, Bond, Truck Fees
It goes beyond the state laws by licensing trash vehicles, establishing a \$300 yearly permit to operate a landfill and requiring a \$10,000 performance bond, the latter enabling the county to restore a dumping site if it is abandoned by the operator, Clifford explained.

A solid waste disposal site is defined as a landfill or dump used for disposal of solid or semi-solid wastes in more than one place, or from a commercial or industrial operation, not suitable for discharge into water carried waste disposal systems.

A sanitary landfill is described in the ordinance as a method of disposing of refuse on land without creating nuisances or hazards to the public health or safety.

Compacting, Covering
This is done by "confining refuse to the smallest practical volume by employing power equipment, and covering with a layer of compacted earth or suitable cover material at the conclusion of each day's operation or at such intervals as may be necessary."

A dump is defined as land where non-putrescible refuse is accepted for deposit, and garbage is all animal and vegetable waste and all putrescible matter.

Combustible waste is substances that can be incinerated exclusively of highly inflammable material; non-combustible waste is all other material, except refuse of being burned, such as earth fill, glass, metal and earthenware, refuse includes garbage and both combustible and non-combustible wastes.

Enforcement Duty
Enforcement of the landfill and dump law is vested in the zoning administrator.

The Sanitation Committee, composed of five county board members, Carl Buehler of Granite City, chairman, and Virgil Barndorfer, Edwardsville, Raymond L. Galloway, Alton, Raymond H. Iberg, Marine, and John Paulovich, Wood River, meets monthly and at least three favorable votes are necessary for issuance of a permit.

Provision is made for filing and hearing of appeals, applications for amendments, variances and notices.

provide for adequate and frequent inspection of disposal sites, carry out and perform all required administrative duties, hear and decide appeals from any order or decision by Clifford, act on variation requests and recommend changes in the ordinance to the county board.

Its decisions are to be based on the general health and welfare, the number of disposal areas necessary for the entire county, the most suitable locations to serve the county, the length of time a site can be used, the possible effect on the area, the fitness and competence of the applicant to carry out the operation for which a license is sought, and whether he has the financial ability and can provide the needed equipment, personnel and public liability and property damage insurance.

No permit can be revoked except after a public hearing by the Sanitation Committee with a 10-day written notice to the operator affording him an opportunity to appear and defend himself.

Appeal Procedure
After a suspension or revocation order the operator has 10 days in which to appeal to the county board. If the order is affirmed there, he can appeal to the Madison county circuit court.

While the requirement of a fence and a man in charge add to the "overhead" cost, he noted that this could be reduced by the operator limiting the hours of operation, such as to a 10 a.m.-10 p.m. to 10 p.m. schedule.

He estimated that a \$10,000 performance bond could be purchased from a bonding firm for \$50 a year.

A bond is not required when the site is operated by a municipality, whether within or outside the city limits. Also, no bond is needed if the site is run by a person within a city, or by industries disposing of non-combustible and non-putrescible wastes.

The exceptions noted also are exempt from the \$300 yearly fee, but all sites in Madison county are considered subject to all other requirements outlined in the law, regardless of whether they pay a fee or not a bond.

A \$1 a year permit is required for each vehicle of any kind used in hauling garbage to any exposed area, except city vehicles going to a dump maintained by that city.

Leakproof Vehicle
Each vehicle must be leakproof, and all garbage that it hauls must be in containers. All garbage hauled in a vehicle must have a cover made of rubber or other material which can be washed, or a metal cover of sufficient size to cover all garbage in the truck.

Vehicles used in hauling from lot-to-lot—banned since July 18—would pay a \$100 yearly permit fee. The application form includes the name and address of the hauler, a description of the vehicle, and the place where it is kept when not in use.

Landfill site application include a description of the proposed operation, scale and contour maps showing the character of the land, areas, access roads, on-site roads, grades for proper drainage of each lift, special drainage devices if necessary, eight-foot wire mesh fencing, structures, existing and proposed utilities, water table and development plan.

Effect on Ground Water
There must be a "reasonable assurance" that the subsoil will not be contaminated by ground water or streams. Surface runoff must not flow to the operational or

One dealer admitted he is having no difficulty in obtaining service by subcontracting the work to garages and service stations where mechanics are not on strike. Independent dealers are not affected by the present contract negotiations and the strike.

Another Granite City dealer said he was not handicapped by the strike because new-car sales at his firm are at a standstill. "I don't know about the other dealers, but we are moving practically nothing at the present time," he said.

Still another dealer said he had foreseen the probability of a strike and that all of his new-car stock was serviced before the strike and are ready to drive out of the garage. (front page)

Site of World Resources Center Still Undecided

A decision on the location of a proposed World Resources Center at either the Southwestern or Carbondale campus of Southern Illinois University has not been made and will constitute one of the major problems yet to be worked out in further studies.

A proposal to establish such a center was presented to the SIU board of trustees Thursday afternoon. The board was meeting at the new campus.

The World Resources Center for which data would be compiled through a series of computer systems and which would provide a store of information on physical resources to be used by nations or industries "throughout the world."

To be known as the Centennial World Resources Center, it would comprise a complete building on the Southwestern SIU campus, housing computer systems that would coordinate all available information on the world's resources such as minerals, food, building materials and other similar informational factors.

The proposal was outlined before the board of trustees by R. Buckminster Fuller, Carbondale campus professor, who had been requested by SIU President Delyle Morris to present a program that would attract world scholars and visitors to SIU for the university's centennial observance which begins in 1969.

Proposed for Expo 67
Fuller, who is a research professor of design at SIU and a known world-wide as the creator of the Geodesic Dome and other design innovations, originally proposed the computer center for the U. S. pavilion at Expo 67, but the idea was rejected at Washington.

He pointed out that the university has been establishing an inventory on world resources and the data would be introduced in a computer at the center. Satellites are producing a wealth of information which also could be computerized, he said.

President Morris reported that the Illinois Legislature recently approved an allocation up to \$4 million for the center, but Gov. Kerran has not yet signed the bill.

The state funds will be available only when matched by outside funds at a 1 to 3 ratio.

Peter Floyd, of Geometrics Inc., reported to the board on a feasibility study his firm is making for the university.

"Feasibility of the center was never questioned," he said, "but how it would be implemented and

Charles Howland, 24, of 1940 State street, denied today that he and his brother Ray, 22, of Madison, were on the property of the Dennington Boat & Motor Co. of Collinsville when they were arrested last week by Collinsville police. Howland said he and his brother were apprehended while they were asleep in their car a block and a half away from the boat firm. Police originally reported the two men were caught inside a fence at the boat shop during an investigation into a report of a burglary there. The brothers have been charged with burglary and bound over to the grand jury.

Alfred Davis, 66, Found Dead in Home

Alfred Davis, 66, of 2483 East 25th street, a clerk at the Terminal Railroad Association for 40 years, died in his sleep early this morning. He was pronounced dead on arrival at St. Elizabeth Hospital at 10:55 a.m.

Cause of death was not immediately determined. He had been ill for several years of emphysema and had planned to re-enter the hospital for treatment soon.

He was a member of St. Bartholomew's Episcopal Church and Granite City's Masonic Lodge. He was born in Elwood, Ind., and lived in Granite City more than 50 years. He retired from the Terminal Railroad a year ago.

He is survived by his wife, Mrs. Dorothy Davis; one daughter, Miss Jane Davis of Granite City, and one son, Major Kenneth Davis of Dayton, Ohio, and four grandchildren.

Funeral arrangements are pending at Davis Funeral home, 21st street and Cleveland Blvd.

Union Electric Talks Today and Tomorrow
Union Electric Co. representatives and negotiators for striking Local 1455 of the International Brotherhood of Electrical Workers were meeting this morning in St. Louis in a mediation session arranged by the Missouri State Mediation board.

Another negotiation session is scheduled at 10 a.m. tomorrow, but reported little progress. The union, representing about 1100 office workers went on strike July 14 in a dispute over wages.

Approximately 3000 workers of four other IBEW locals, whose contracts also are in negotiation refused to work and picket lines set up by local 1455.

Atchley-Krauskopf Nuptials At St. Margaret Mary's

Miss Mary Krauskopf and Terry Atchley exchanged wedding vows Saturday in a ceremony taking place at St. Margaret Mary Catholic Church.

The bride is a daughter of Mr. and Mrs. William Krauskopf, 2809 Saratoga avenue. Mr. Atchley's parents are Mr. and Mrs. Harold Atchley, former Granite Cityans residing now in Concord, Calif.

The afternoon ceremony was performed by the Rev. Gerald McCaughey, and a reception was held in the evening at the American Legion Home. Dinner was served at 3:30 at the Grand Cafe.

Bouquets of white flowers adorned the altar for the 2 o'clock service. Phil Spencer presided at the organ and accompanied the soloist, Marvin Boyer.

Mr. Krauskopf gave his daughter in marriage. She wore a gown of delustrated satin with a graceful A-line silhouette. A triple row of Venise lace medallions outlined the gown on each side of the front from shoulder to hem line.

Long tapered sleeves had rows of tiny covered buttons and buttons closed the back of the bodice. A high gathered bertha collar was made of lace medallions, draping over the shoulders and falling in points over a huge pleated bow which covered the zip off chapel train. Seals and lace edged the train.

The bride's veil of silk illusion was attached to a crown of rose buds, satin, seed pearls and crystals, intermingled with pearl and lilies of the valley on bows of lace.

She carried a tear drop bouquet of white pom poms, stephanotis, ivy and white ribbon surrounding a detachable corsage. Miss Kathy Nemeth, maid of honor, and Janet Parker, a sister of the bride, Mrs. Michael Krauskopf, a sister-in-law, and Miss Georgia Atchley, the bridegroom's sister, bridesmaids, were dressed alike in floor-length gowns of aquamarine organza over sheaths of silk in the same color.

The gowns had Empire bodices gathered to fit yokes of white lace and headpieces were made of clusters of small roses of organza and circular nose veils.

The attendants carried cascade bouquets of aqua pom poms and ribbon.

Ricky Noth was best man for Mr. Atchley, and the list of groomsmen and ushers included Gary Forshee, Bill Krauskopf and Cheryl Atchley, brothers of the bride and groom, Edward Hoeskstra and Dennis Fischer, cousins of the bride.

Mrs. Krauskopf was attired in a lime green dress of ribbon lace with a matching jacket and yellow accessories. Yellow carnations were in her corsage.

The newweds will be at home after Aug. 12 at 2464 Iowa street.

The bride and groom are graduates of the local high school, and the bridegroom is continuing his studies at Southern Illinois University-Southwestern campus. He is employed by the Maryland Bi-rite Market.

The former Miss Krauskopf is employed in St. Louis.

MR. AND MRS. TERRY ATCHLEY, who were married Saturday at St. Margaret Mary Catholic Church. The bride is the former Mary Krauskopf. Her parents are Mr. and Mrs. William Krauskopf, 2809 Saratoga avenue.

Nomination slips for the new "Boss of the Year" to be announced at the "executive" night dinner Oct. 28 at the Bel Air East were distributed. Each member is allowed the opportunity of nominating one individual for this honor, and a new procedure has been instituted this year in that the man nominated does not have to be a "Boss" of one of the members.

This year's dinner will have a "South Seas" theme. The budget for the 1967-68 fiscal year was presented and

plans are being made by the social committee for 25 members and guests to attend the races at Fairmont Park early in September. In addition to being served a buffet dinner a special section will be set aside for the Tri-Cities Chapter group, plus special identity buttons. The members will receive complimentary programs, free admission to the clubhouse, and a race will be named in honor of the group, with a special Winner's Circle ceremony.

The social committee announced that an NSA golf class will commence Monday, Aug. 28. There will be five classes and they will be conducted by Howard Popham, pro at Arlington Golf Club, from six until seven o'clock each Monday. The class will be limited to five and the cost will be \$10 per person.

Vice-president Bette Davis announced that Col. Charles E. Hoskin III, commander of the Granite City Army Depot, will be the speaker at the Sept. 7 meeting. Hostess at the September meeting will be Georgann Moser. The service committee consists of Frances Kuback and Jane Davis. The meetings are open to any interested local secretaries and reservations must be made by contacting any of these individuals.

The next board meeting is to be held Aug. 14 in the home of Joy Augsburger in Glen Carbon.

MRS. GARY R. JOHNSTON (Carol Jean Ziolkowski), who was married Saturday at St. Mary's Catholic Church in Madison. The bride is a daughter of Mr. and Mrs. Joseph Ziolkowski, 2026 Thirteenth street.

Miss Carol Jean Ziolkowski Is Bride of Dr. Johnston

The wedding of Miss Carol Jean Ziolkowski, a daughter of Mr. and Mrs. Joseph Ziolkowski, 2026 Thirteenth street, and Dr. Gary R. Johnston, whose parents are Mr. and Mrs. Charles K. Johnston of Peoria, Ill., took place Saturday at St. Mary's Roman Catholic Church in Madison.

The Rev. Sylvester Micek O.F.M. officiated at the 11 o'clock Mass, and the reception was held at the VFW hall. Mrs. George McGarran presided at the organ, and Mrs. William Tutka was soloist.

For her wedding the bride chose a full length gown of pure silk organza over bridal satin made on slim lines. The fitted Empire bodice was fashioned with a sweetheart neckline and sheer bell sleeves applied with imported French reemboirered Alencon lace.

The sheath skirt was enriched with a floral design of matching lace and rosettes at the bodice line in back secured the sheer organza ruffled Watteau train lavishly applied with Alencon lace motif sprays. The lace motifs were all touched with tiny seed pearls and crystals in a French fashion, adding delicacy to the gown.

A matching headpiece of rose petals surrounding a lace and

pearl crown held in place a three-tiered bouffant veil of silk illusion.

The bride held a spray of greenery combined with white roses and carnations.

Mrs. Maryanne Neubauer was matron of honor, and Mrs. Linda Ziolkowski, a sister-in-law of the bride, served as bridesmaid.

They wore saki Empire gowns with A-line skirts in a delicate shade of blue. The fitted bodices, with scooped necks and double bell sleeves, were finished with petite bows in the back. Matching headpieces of saki rose petals secured short bouffant veils and both carried red roses with greenery.

A little flower girl, Suzette Neubauer, was in a white silk organza dress patterned after those of the older attendants with accents of aqua organza at the waist and on the sleeves. Her headpiece was made of white organza rose petals and aqua leaves and she carried a basket of red rose petals.

Bill Johnston was his brother's best man, and George Goodman was groomsmen, serving with Jerry Ziolkowski, a brother of the bride, and Emil Neubauer, a brother-in-law, ushers.

Mrs. Ziolkowski, the bride's mother, appeared in a rose crepe sheath dress, while the bridegroom's mother chose a pastel pink lace dress. Both wore matching accessories and cymbidium orchid corsages.

The newlyweds left after the reception for a honeymoon in the Wisconsin Dells.

The bride is employed in the offices of Granite City Steel Co. Dr. Johnston was graduated from Logan College of Chiropractic and is presently stationed at Martin Army Hospital, Fort Benning, Ga.

A rehearsal dinner was given by the bridegroom's parents Friday evening at the Ross Bowl.

Welfare Aid By Navy Mothers

Quad-City Navy Mothers Unit 800 met Thursday evening with Commander Hazel Jones in charge.

The charter was drafted for a recently deceased member, Mrs. Ustine Lee, and the service was conducted by Mrs. Verna Suprier. Contributions of \$25 each were made to Blue Jackets Haven in California and Philadelphia Hostess Houses in Pennsylvania.

Announcement was made of the state convention to be held in Decatur Aug. 22 and plans were made for six members to attend. They will be Mrs. Norma Darnell, Mrs. Jean Teller, Mrs. Della Rabb, Mrs. Esther Patterson, Mrs. Neil Hildebrand and Mrs. Margaret Minzes. The mystery package was won by Mrs. Juanita Williams. The next meeting of the group will be Aug. 17.

Mercer Team Divides League Doubleheader

Mercer won 7-2 and lost 3-0 in an Inter-City Baseball League doubleheader yesterday at Troy but lost ground in the Blue Division to pace-setting East Alton, which downed Granite City Steel Credit Union 14-4 at East Alton.

In the only game scheduled locally, Sacred Heart won by a forfeit from the Collinsville Molters, who had only eight players at game time.

Other results saw Pocahontas beat the Collinsville Utes 9-1 at Collinsville on Dave Rommerskirchen's nighthitter and Maryville defeat the visiting East St. Louis Polish-American War Veterans, also by a 9-1 score. Rommerskirchen got three hits and struck out 13 men.

Mizerski, Thompson Star
Due to a rained-out game earlier in the season, Mercer was matched with Troy in a twinbill and took the opener behind the seven-hit pitching of Bruce Thompson. Chuck Mizerski was the leading hitter with two runs and two hits.

Troy broke the scoring ice with a run in the fifth inning but Mercer rallied five times in the sixth. Troy scored again in the seventh after Mercer had tallied its final two runs in the top half of the seventh.

Pitchers Stinch and Parker divided mound duties for Mercer in the second game as Wiesmeyer went the distance for Troy, spinning a seven-hitter. Troy garnered six hits and made two errors to Mercer's one.

Gordon McFarlin singled in the first inning while both batters had walked, and Troy added to this 1-0 lead in the third and fifth.

4-0 Lead Evaporates
Credit Union broke on top with four runs in the top half of the first but was held scoreless thereafter.

Each team meanwhile chalked up four runs in the first, three in the second, three in the third and one each in the fourth, fifth, sixth and seventh innings.

Dan Jaut and Tim Tindall each collected four hits for East Alton, which outlived the Granite Cityans 18-5.

K. C. Softball Team Loses to Collinsville
The Tri-City Knights of Columbus softball team lost its first game of the season to the Collinsville K of C team 9-7 Sunday afternoon on the Third Street diamond in Madison.

Donald "Skinny Brown" Stanton was the losing pitcher and Vince Loman was the winner. The two teams were tied at a dinner and refreshments at the local K of C club. The local team will compete in the county K of C tourney at 1 p.m. Sunday in Alton.

Boosting their averages for Northwestern were Tony Gregus, two triples and two singles, Jim Hackney, two singles and a homer, and George Gregus and Mike Pritchard, three singles each.

GC Night Planned to Expand Soccer Program in This Area

The Granite City Jaycees and the Granite City Soccer Association have reserved a block of 1000 tickets to sponsor "Granite City Night" at the St. Louis Stars' game in the Quad-City area. Currently, 386 boys between the ages of five and 14 in the Quad-Cities and surrounding area are actively participating in the program.

The price for the lot reserved tickets is \$2.50 each, and half of the ticket sales will be retained by the YMCA Soccer Association of Granite City to further its program.

Local Teams to Play
An added attraction of "Granite City Night" will be a soccer game between teams in the local association.

The match will be a game between the Mitchell AC's, who are the current midwest division champions, and a group of all-star players of the midwest division. Tentative starting time for the boys' game is 7 p.m.

Tickets are currently on sale at the following locations:
Bellemeade Sports & Goods Store, 3220 N. Main St., St. Louis.
Gene's Barber Shop, Mitchell.
Jack's Midtown Barber Shop, 1210 Twenty-second street, St. Louis.
Lake Real Estate Agency, 3727 N. Main St., St. Louis.
YMCA, 2001 Edison avenue.

2nd Annual Freeburg Slow-Pitch Softball Tournament Sept. 2-4
The second annual regional slow pitch softball tournament will be held in Freeburg on Sept. 2, 3 and 4.

The games will be played at the Freeburg Recreation park on two ball diamonds. Two other ball fields will be available for practice before the games.

The first-place team will win \$200, the second-place team \$50 and the third-place team will win \$25. The tournament is open to all teams.

The Labor Day classic will begin on Saturday and continue through Monday evening with the championship game at 6 o'clock.

Those desiring to enter a team must contact Frank X. Heiligenstein of Freeburg.

Deadline for entering a team is Friday, Aug. 18.

A team will be officially accepted when the entry fee of \$20 plus a roster of 15 players is sent in. All teams will be notified within two days of their acceptance.

High Scoring in Friday's Church Loop
High scores prevailed in Wilson Park's Church Loop Softball League Friday night. First Assembly of God tallied the most runs for the night pouncing 32 hits for a 2-3 victory over Bethel.

Sam Dyma, the short center fielder for 1st Assembly, was the leader as he collected two singles, one double and one triple.

The big inning for 1st Assembly was the third with 10 runs to make the score 14-1. Jim Cox was the winning pitcher; Steve Stamp the loser.

West 22nd beat Free Methodist 14-4, getting 15 hits. Phil Anderson scored three times, and Wendell Williams, Wayne Harrison, Ernie Phillips, Verlyn Taylor touched home twice giving Nelson Lindsey an easy victory. Ray Alford was the losing pitcher.

Charles Jacobs swung a big bat for Community Heights, collecting a homerun, triple and two singles. He was responsible for scoring four runs in helping his team to defeat Graceland Baptist 13-4. Rich Wilson pitched for Community Heights and Jim Reese for Graceland.

Whitney Hemphill was the winning pitcher in the Niederrhous Methodist-2nd Baptist game. He carried his team to the win on a six hitter, hitting a homerun and scoring three times. He defeated George Clemmons 9-1.

Miss Schillinger 3rd in State, Other Local Contestants 6th

Two Granite Cityans pushed their opponents to record performances in the junior girls' division of the Illinois Junior Sports Jamboree Friday and Saturday at the Pekin Memorial Stadium. Miss Anna Schillinger ranked third in the 50-yard dash as an existing state record of 8.3 seconds was tied. Miss Jennifer Lignoul finished sixth in the high jump, in which a new state record of four feet, 11½ inches was set.

In the midget boys' 220-yard relay, in which the winning time was 28.9 seconds, the local quartet of Mike Martinez, Johnnie Fulcher, Jimmy Elmore and Jeffrey Cavins placed sixth.

The six local entries qualified for the 12th annual state meet by winning at the Granite City Jaycee junior sports jamboree July 27 and at sectional competition July 1 in Alton.

At Pekin, 18 field events and 23 track events were conducted, with 801 contestants from 171 cities taking part. The meet was sponsored jointly by the Illinois Youth Commission and Illinois Jaycees.

Each participant went through a winners' arch to claim his trophy and was congratulated by John A. Troike, IYC chairman, and W. E. "Skip" Dunkirk, state Jaycee president. Gov. Otto Kerner presented special awards during ceremonies Saturday afternoon.

Kirchner of Granite City finished third in the state slow-pitch championship softball tournament at Caseyville Sunday, losing to the Tasmanian Devils, 5-3. Als was the winner at Caseyville, defeating the Tasmanian Devils 5-1 in the title game.

Polish Hall, last year's champs, had all hopes of a second straight Illinois title dashed as Kirchner beat the fellow Granite City team, 12-5. Kirchner blasted out 22 hits, including home runs by Bill Evans and Rich Reutebuch. The decisive inning was the sixth, when Kirchner tallied seven runs on a homer, three singles and three doubles.

Against Kirchner, the Tasmanian Devils, 1966 state runners-up, used a four-run fourth inning to take the lead and the game.

STATE AWARD WINNERS from Granite City. Anna Schillinger (left in back row) placed third in the junior girls' 30-yard dash Saturday at the 12th annual Illinois Junior Sports Jamboree at Pekin, while Jennifer Lignou (right, back row) finished sixth Friday in the junior girls' high jump. Placing sixth in the midget boys' 220-yard relay Saturday was the team of (left to right) Jeffrey Cavins, Johnnie Fulcher, Mike Martinez and Jimmy Elmore.

Sammy's, Club Delmar Capture Close Games

The last-place Zips of the Class B League gave a second-place Club Delmar a scare before losing an 18-15 softball slugfest Sunday at Wilson Park. The Zips rallied for four runs and had the tying run at bat with no outs in the last inning of the contest.

Seven Zips' errors, including two in a nine-run fourth-inning, helped keep Club Delmar on the winning track. Bill Seago hit two homers and two singles. Glen Sprinkle homered and singled twice and Oren Harrison doubled and tripled for the winners. Mike Harris hit a homer for the Zips.

Sammy's Tavern meanwhile held its one-game first place margin over Club Delmar as it trimmed Dairy Master 6-4 Sunday. The game's only error, with two out in the bottom of the fifth, aided Sammy's.

Each team had nine hits. Joe Hiles doubled and homered. Joe Fanning singled and homered and Jim Warren tripled for Sammy's. Harry Ellsworth belted a roundtripper for Dairy Master.

Insecurity
Leaders of most nations are willing to smoke the peace pipe, but no one wants to inhale.

Hamilos, Hold League Lead, Rallyes to Win

Hamilos Packing held onto first place in the High School boys' league, but just barely, as it needed three hits after two strikeouts in the bottom of the seventh to push across the tying and winning runs against St. Margaret Mary in a 5-4 softball contest Friday.

It was an uphill battle all the way at Wilson Park. Hamilos never led until the end of the contest, and went into the fifth inning with a 3-0 deficit. Jim Jones' single drove in the deciding runs.

One additional state owned area in the southern zone will be open for squirrel hunting only through Sept. 15 in that portion of the Horseshoe Lake area lying south of the Promised Land Road near Carbondale designated as the Horseshoe Lake public shooting area.

The squirrel season for the southern zone is from Aug. 1-Nov. 5 with daily limit of five and possession limit of 10. Shooting hours are from sunrise to sunset.

Ben Peter of Raiders, with a single and a double, was the only batter with two hits.

Squirrel Hunting Data for S. Illinois

Hunters may take squirrels with shotguns only on four state-owned areas in the state's southern hunting zone, Director William T. Lodge of the Illinois Department of Conservation, said today.

The four areas are Douglas county Conservation Area near Oakland, the Pope-Massac Conservation Area, The Shelby State Forest (Shelby county) near Clarksville, and Union State Forest (Union county) near East.

Trailblazers Plan Show To Buy Posse Uniforms

The Madison County Trailblazers Saddle Club will sponsor a Western Horse Show Aug. 13 to raise money for uniforms for 20 of its members who will make up a horse-mounted posse to aid the Madison county sheriff's office.

The posse makes up the latest area law enforcement unit under a plan presented to Sheriff George Musso by the Trailblazers club. Musso has accepted the offer of a two-man mounted auxiliary unit for the sheriff's office.

Musso said the posse would be used in search for lost children or missing persons and in hunting down robbers or criminals. The posse members will be deputized but will be issued sidearms only in cases involving searches for persons who have committed a crime.

The horse-mounted deputies can cover a lot of ground where an automobile cannot go, the sheriff noted.

Make Good Parade Unit
Eugene Braudmeier of Edwardsville, president of the saddle club, said that in addition to aiding the sheriff's office the 7 group would make an excellent parade unit "to boost Madison county."

The horse show will be held at the Middlegate Arena on Route 139, five miles south of Edwardsville on Glen Crossing road.

Fourteen separate events are planned with trophies, ribbons and cash prizes for winners.

Events will include open model, open barrel race, junior barrel race, senior pleasure, open flag race, junior pleasure, open balloon race, pony cart, open hoop race, egg and spoon contest, open relay race, bareback and open plug race and junior plug race.

Junior riders must be 15 years or under.

Trucker in Crash Faces Charge in GC

A charge of careless driving was placed against Horace Dixon, 40, East St. Louis, Friday afternoon following an accident on Madison avenue at Niedringhaus avenue, where Dixon's new truck knocked a parked auto over the curb, damaging a parking meter, a speed limit sign and an Illinois Power Co. pole.

Dixon said he was traveling south when his truck was crowded over by another vehicle. The parked car belonged to John Wojtowicz, 2596 Lynch avenue.

102 County School Supts. to Meet

Illinois 102 county superintendents of schools will hold their annual state-wide meeting at the Holiday Inn East, Springfield, Thursday and Friday, Aug. 10 and 11, it was announced today by State Dept. of Public Instruction Ray Page.

Page will give the opening address at 9:30 a.m. Thursday, giving new educational programs and reporting on the operation of the state office during the past year. Featured speaker at the banquet session at 6:30 p.m. will be Milburn P. Akers, editor emeritus, Chicago Sun-Times.

Vance Kauffold, president of the Illinois Association of County Superintendents of Schools, will preside at the conference. Others who will appear on the program include John Satterlee, Illinois representative, Department of Education, Copley Newspapers; W. A. Bozarth, Douglas county superintendent of schools; Lowell Lewis, Effingham county superintendent of schools and Commander John H. Hammack, (USNR) Retired, state director of Selective Service.

Two Mexicans Held

Police Arrest GC Man For Firing Pistol

Lloyd Mitchell Jr., 34, of 4009 Braden avenue, was arrested by Madison police at 11:30 p.m. Thursday after he fired several shots from a pistol in the 1400 block of Fourth street in Madison.

Mitchell, who was charged with discharging firearms in the city, was found by police in an alley between Fourth and Fifth streets while he was reloading a .22 caliber pistol. Police said they recovered five spent shells and took a box of ammunition from Mitchell.

He was released in custody of his father pending a hearing in magistrate's court Aug. 18.

Truck-Car Crash

A car driven by Donald L. Marlette, 1220 Rhodes street, Madison, was damaged extensively on the right side Thursday afternoon in a collision with a bakery truck at Rhodes and McNair street. Marlette told Madison police he was driving east on Rhodes when the truck made a left turn in front of him. The truck, driven by Elmer Wildhaber, Florissant, Mo., received only minor damage.

No Permit Required At Duck Hunting Site

Daily permits will not be required to hunt ducks at the Anderson Lake Conservation Area this year, William T. Lodge, director of the Illinois Department of Conservation, announced. The area is located on the west side of the Illinois River on Illinois Route 180, about 10 miles southwest of Havana.

Twenty-five blinds will be constructed by sportsmen who obtained sites at the public drawing on the area Saturday, Aug. 5. Blinds will be of platform construction and build according to Department of Conservation specifications.

The blind builder will have priority over other hunters if he checks in by one hour before sunrise on mornings he wishes to hunt. Unclaimed blinds will be allocated by a daily drawing after that time. Assignments are for one year. Annual drawings will be held for blind sites on the area.

There will be no charge to hunt. Hunters who do not have boats or decoys may rent them at the check station.

Methodists Move Up With 21-5 Conquest

Nameoki Methodist moved into a first-place tie with Central Christian in the Class B Church League Saturday as it stomped past Emmanuel Baptist 21-5 while Central Christian was upheld by Grace Baptist 12-10.

Nameoki retaliated with six runs in the bottom of the first after Emmanuel had scored five. Lloyd Judge settled down to shut out Emmanuel the rest of the way while his teammates exploded for nine runs in the second inning and four in the fifth.

Pacing Nameoki's 26-hit attack were Stan Brown and Roy Russell, four hits apiece, and Ed Brokaw, Ed Wesson and Carl Peters, two singles and a triple each.

Two errors, a walk and four singles spelled defeat for Central Christian as Grace Baptist came from behind with six runs in the top of the seventh. Central rallied for three runs in the bottom of the inning.

Carl Millikin singled twice and doubled twice and Bob Garland doubled twice to pace Grace as it defeated Emmanuel 15-11.

Not a Dead Issue

The mayor emphasized that the Fourth street project is not a dead issue. This is one of our major projects and will be revived after we determine definitely what our financial requirements will be for the underpass, he said.

Henry McMullen, manager of McKinley bridge, told the council that traffic for the ten months of the fiscal year thus far assures the city of Venice its usual \$100,000 share of bridge income. The bridge fiscal year ends Sept. 30.

This is due, McMullen said, to an increase in bridge traffic during the past few months because of repairs on Veterans Memorial Bridge in East St. Louis. Lane usage on the East St. Louis bridge has been reduced considerably, causing many motorists to use McKinley bridge instead.

The city's share of the bridge proceeds is paid only after all other bridge expenditures are met, including bonds interest, maintenance and a operational costs.

Park Building Permit

The council approved issuance of a building permit to L. Wolf Construction Co. for construction of the new Venice Park district administration and recreation building at Third street and Broadway.

A delegation of residents on South Main street informed the council that the GM&O railroad again is running long freights into the Boat Yard over the South Main street crossing, causing residents south of the tracks to be blocked in. Residents of the area earlier this year appealed to the council to reopen Kerr street which is closed by order of the Illinois Commerce Commission in connection with the Broadway underpass project.

At that time city officials met with ICC engineers who inspected the area and worked out a plan with GM&O officials under which freights were routed over other lines in such a way that long tieups were eliminated.

Mayor Lee told the group that he was unaware the railroad had gone back to its old system and would notify the ICC of the practice.

In other action, the council approved a resolution for expenditure of \$200 in motor fuel tax funds for street patching on Klein street and in the vicinity of Biswell street and Broadway, and approved a bill of \$705 from Sheppard, Morgan and Schwaab.

Preview of coming distractions...

GC Council Meets Tonight at 8 O'clock

Granite City council members will meet at 8 o'clock this evening at nearly a two-week layoff following a series of special budget sessions.

Tonight's meeting is listed on a three-page agenda consisting mostly of notations for committee reports. The aldermen will receive the request from the school board for annexation of the Maryville school site.

The state has advised the city that the motor fuel tax allocation to the city for June is \$23,730.

Revised Schedule of Fees 'Jour de Fete' Is Set For State Auto Licenses

A revised fee schedule for motor vehicle licenses, special licensing of "motor driven cycles" and issuance of a distinctive license plate for antique motor vehicles will be in effect for 1968 registrations, Secretary of State Paul Powell said today.

The changes are incorporated in a measure (H 1945) passed by the recent General Assembly session and approved by Gov. Kerner.

Registration fees are increased from 50 cents to \$1.50 in the various categories to round them off at total even divisible by two in an effort to simplify the fee schedule for the public and to provide a more efficient collection procedure, Mr. Powell said.

For passenger cars, the fee changes are: Under 25 horsepower, from \$7 to \$8; over 25 and not over 35 horsepower, from \$11 to \$12; over 35 and not over 50 horsepower, from \$17.50 to \$18; 50 and more horsepower, from \$22.50 to \$24; electric, from \$12.50 to \$14. The fee for a junking certificate is increased from \$1 to \$2.

License plates issued to motor cycles will continue to bear a license number without any letters. The plates issued for motor driven cycles, which are defined as those two-wheeled vehicles with less than 150 cubic inches piston displacement, will bear a letter in addition to the number. The distinctive plate for the motor driven is intended to aid state police in quickly identifying these vehicles, as they are being banned from expressways.

Antique motor vehicle owners now have the option of obtaining a distinctive license plate good for two years upon the payment of a fee of \$20 for the two-year period, or of receiving a regulation plate good for one year upon the payment of a maximum annual fee of \$10.

Kay Marie Reinhardt Is Honored at M.U.

Kay Marie Reinhardt, 2720 Michigan avenue, was among the 19 students designated by University of Missouri, Columbia, Chancellor John W. Schwada as marshals for their classmates in the various divisions for the annual Summer Session Commencement exercises on Friday.

The marshals were selected from scholastically outstanding candidates for degrees in the different schools and colleges. Miss Reinhardt is in the Education department.

Early Morning Blaze

An early morning blaze caused \$200 damage Saturday at the frame home of Louis Dement, 2343 Orville avenue. Firemen who were at the scene from 2:40 to 2:55 a.m. said the fire was in a drier and caused \$150 damage to the house and \$50 to the contents.

'Jour de Fete' Is Set For this Weekend

The oldest town West of the Mississippi, Sainte Genevieve, Mo., will celebrate its second annual "Jour de Fete" with a wide variety of festive activities over the Aug. 12-13 weekend.

Visitors to the "Jour de Fete" (Day of Festival) will find the city square transformed into a semblance of the village Ste. Genevieve was in the 1700's. Store windows will display antiques of the bygone era, while shopkeepers and townspeople will be dressed in the costume of 18th century Ste. Genevieve.

A grand parade recalling the history of Ste. Genevieve, an antique auction, German beer garden, old time street dancing, a lavish King's Ball and a rodeo will head off the special events on Saturday.

On both days there will be continuous tours of the city and a large art show, featuring the work of many Ozark craftsmen. Traveling bands of musicians and dancers will perform at regular intervals on the city square, at the center of which a French market place will offer sausages, homemade quilts, hams and other items.

At Fort Sheridan

Pic Vernon Dale Smith, 19, son of Mr. and Mrs. Vernon G. Smith, 4160 Division avenue, has completed 16 weeks of training at Fort Leonard Wood, Mo., as a clerk typist and has been assigned to duty at Fort Sheridan, Ill., according to word received by his parents.

Meter Fees Drop, Fines Jump During July Month

Parking meter fee collections during July totaled \$2900—exactly \$1800 less than the \$3000 collection in the previous month of June—but assessment of fines for meter violations jumped to \$1039, an increase of \$298 over June fines of \$741.

A report by City Comptroller Robert Stevens shows July fine and fee revenue from parking meters, totaling \$3939, increased to \$27,495 the total amount of meter income during the seven months of the year thus far. The amount is \$492 higher than the \$27,003 collected during the same period last year.

Only one other previous month this year fell below the \$3000 mark in fee collections. That was in March when fees amounted to \$2843. March fines amounted to \$853, making a monthly March total of \$3696.

The lightest fine assessments for any month so far this year was in April, amounting to only \$428. April fee collections were \$3907, making total meter income only \$3435 for the lowest income of any month this year.

Highest parking meter income for any month this year was reported for June with \$3900 in fees and \$741 in fines making a total of \$4641.

Plastic Surgeon Is Guest Speaker

Granite City Optimists learned of the uses and miracles of plastic surgery at their weekly luncheon at the YMCA Thursday.

Presiding officer, Dr. Raymond Troyer, introduced the guest speaker, Dr. Lorenzo P. Maun, noted Belleville plastic surgeon. Dr. Maun, studied at the University of the Philippines and at the University of Pennsylvania.

To illustrate his speech, Dr. Maun showed slides of typical situations—skin disease, mouth and lip cancer, and the like—which require the special talents of plastic surgery.

There are three primary causes of plastic surgery cases—birth defects, injuries and disease Dr. Maun said.

Showing additional slides which pictured how patients had been restored after suffering disfigurement, Dr. Maun commented:

"Plastic surgery can be of immense psychological benefit, because frequently disfigurement causes patients to undergo a period of anguishing social ostracism."

At the end of his talk Dr. Maun discussed some of the benefits women have found through plastic surgery. He mentioned the increasing number of women who are now going to plastic surgeons to have their faces and breasts lifted.

A bag of silicone, the substance used for lifting and expanding breasts, was passed around and inspected by the Optimists. "It is now possible for a woman of ninety to have the figure of a girl of twenty," Dr. Maun said.

Two Cars Damaged

Cars driven by Paul J. Knierly, Lithfield, and William T. Brown of 504 Fillmore street, Venice, were damaged at 4:30 p.m. Friday in a collision at Third street and Madison avenue in Madison. Police reported Knierly was driving east on Third street as Brown pulled away from his parking place, hitting the right door of Knierly's car.

MR. AND MRS. GEO. M. BIRDSONG, the former Linda Schrieber, a daughter of Rev. and Mrs. Max H. Schrieber, 2109 Missouri avenue, who was married Friday at Cayuga Temple.

Friday Evening Ceremony for Birdsong-Schrieber Wedding

Miss Linda Schrieber and Airman First Class George M. Birdsong were married Friday evening at Cayuga Temple on Cayuga street.

The bride is a daughter of Rev. and Mrs. Max H. Schrieber, 2109 Missouri avenue. Airman Birdsong's parents are Mr. and Mrs. George W. Birdsong, 2708 Cayuga street.

Rev. C. M. O'Guinn officiated at the 7 o'clock ceremony before an arch formed of white flowers and greenery. The bride wore an Empire gown of white satin and lace. It was styled with elbow sleeves, a scalloped neckline and a wide train of lace trimmed with sequins. A bow of satin and lace formed the bride's headpiece and held in place a lace-edged veil of illusion.

She carried a bouquet of snow-drift and baby pom poms.

Mrs. Sharon Hicks and Craig Atkinson attended the couple, and Judy and David Schrieber, sister and brother of the bride,

MRS. RICHARD LEE MCTASNEY, the former Mary Sue Lucash, a daughter of Mr. and Mrs. Aloys J. Lucash, 2409 East 24th street, who was married Saturday morning at Sacred Heart Catholic Church.

Ceremony Unites Miss Lucash And Richard Lee McTasney

Sacred Heart Catholic Church was the scene of the wedding Saturday morning of Miss Mary Sue Lucash and Richard Lee McTasney.

The bride's parents are Mr. and Mrs. Aloys J. Lucash, 2409 East 24th street, and Mr. and Mrs. John McTasney, 8289 Hampton road, Grosse Ile, Mich.

Miss Miller, Edw. Foley Jr. Exchange Wedding Vows

Miss Louise Norma Miller became Mrs. Edward Walter Foley wore corsages of white carnations, in a ceremony taking place Saturday morning at St. Mark's Roman Catholic Church in Venice.

The bride is a daughter of Mrs. Joseph Miller sr., 118 Abbott street. Mr. Foley's parents are Mr. and Mrs. Edward W. Foley sr., 601 Washington avenue.

Rev. R. C. McCarthy heard the vows of the couple at 10 o'clock, at Fort Benning, Ga.

The only attendants were Mr. and Mrs. Donald Buscher, brother-in-law and sister of the bridegroom. Patrick Foley and Dennis Maher, a brother and cousin of the bridegroom, served the Nuptial Mass.

Bouquets of white gladioli and 'mums decorated the altar, and Mary Frances Lee was the organist.

Escorted by her brother, Joseph Miller, the bride wore a bouffant gown of tulle lace, accented with a sash and long tapered sleeves. The bride's mother chose a blue dress and bone accessories, while the bridegroom's mother selected a sheer brown dress and

The former Miss Lucash was graduated from the local schools and attended Drake University. She is employed as a teller by First Granite City Savings and Loan. Mr. McTasney will be graduated in December from Parks College of Aerospace Technology of St. Louis University, Cahokia, Ill. He is presently employed as an engineer aid at the U.S. Army Materiel Command in St. Louis.

Refreshments were served and prizes were won by Billy Russell, Daphne Batson, Cheryl Conway, Tonny Hueschen and Troy Brake.

Detention Home Plans To Be Submitted Soon

Plans for construction of the Madison county juvenile detention home are to be submitted to the county board of supervisors at its Aug. 10 meeting in Edwardsville. Authority to advertise for bids will be sought.

James J. Reidelberger of Vinton, chief probation officer, said plans and specifications will be available to contractors about Sept. 10, and bids may be opened about Oct. 1.

Cost of construction was estimated at \$450,000, with an additional \$100,000 for equipment. County voters last November approved a special tax of 1.67 cents for the purpose, and the county has \$357,000 in the detention home fund.

The home will house 20 juveniles at one time and during the year will handle 600, Reidelberger said.

Mrs. Antonia M. Mance, 79, Dies; Ill 5 Months

Mrs. Antonia M. Mance, 79, of 1422 Grand avenue, died at 9 a.m. Friday at Colonades Nursing Home.

Mrs. Mance had been ill for five months and in the nursing home for 18 days. A native of Yugoslavia, she had lived in Granite City for 55 years.

She was a member of St. Joseph's Roman Catholic Church and of Velebit Lodge 222 CPU. Her husband, Anton Mance, died in 1933.

Survivors include a daughter, Mrs. Steve Pauline Meszaros of Granite City; and three sons, Victor Mance of Madison, Anthony Mance and Albert Mance, both of Granite City.

Funeral arrangements are given in today's obituary column.

Miss Moxey Is Bride Of Richard D. Lambert

Miss Arella Anne Moxey became Mrs. Richard D. Lambert in a candlelight ceremony taking place Friday evening at St. Elizabeth's Catholic Church, Johnson and Pontoon roads, with Rev. Lawrence Mattingly officiating. The bride is the daughter of Mrs. Mary Wolf, 2345 Cardinal avenue, and Charles Moxey of Alton. Mr. Lambert's parents are Mrs. Roberta Lambert, 3724 Nameoki road, and Don Lambert of Belleville.

Altar bouquets of white gladiolus adorned the altar for the 7 o'clock, double ring service, which was followed by a reception at the Eagles Home. The bride's floor-length Empire gown was fashioned of pea de soie, with Chantilly lace enhancing the bodice and the edge of a long train. It had a round neckline and short cap sleeves.

A fingertip veil of silk illusion was secured with white petals and pearls. She carried a tear-drop bouquet of white pom poms, ivy and stephanotis.

Miss Connie McGovern was maid of honor, and Miss Jane Lambert, a sister of the groom, was bridesmaid. Lisa C. Wolf, a sister of the bride, was the flower girl.

Both attendants wore full-length gowns, designed on Empire lines, of yellow silk crepe chiffon. Their headpieces were

yellow silk illusion flowers, and they carried cascades of yellow and white pom poms. A dress identical to that of the bride was worn by the flower girl, who carried a white basket of flower petals.

Donald Lambert was his brother's best man. Groomsman and ushers included Darrell Jarman, Dennis Michael and Randy Lambert, a brother of the groom.

For her daughter's wedding, Mrs. Wolf chose a three-piece suit of pink silk with crystal beading as an accent for the ensemble. She wore beige accessories.

Mrs. Lambert wore a powder blue crepe sheath dress featuring a round neckline, cap sleeves and a matching lace coat with high neckline and three-quarter sleeves. Her accessories were in a matching shade of blue.

Both mothers wore corsages of white roses. The former Miss Moxey is a graduate of Granite City high school and is employed by Shell Oil Co. in Wood River. The groom also graduated locally and is presently employed at Bill's Auto Body Shop.

A rehearsal dinner was given Thursday evening by the groom's mother in her home. Following a brief wedding trip, the newlyweds will return here to make their home.

MR. AND MRS. MEREDITH L. BONER. Their wedding was an event of Saturday, taking place at St. Mary's Roman Catholic Church in Madison. The bride was Marlene Schiller, a daughter of Mr. and Mrs. Thomas Schiller, 1201 Meridian street.

Boner-Schiller Wedding Here

Wedding vows were exchanged Saturday morning at 9:30 at St. Mary's Catholic Church, Madison, with Fr. Engelbert Binek officiating, as Miss Marlene Schiller, daughter of Mr. and Mrs. Thomas Schiller, 2038 Meridian street, Madison, became the bride of Nick Boner, 2038 Omaha street, and Mrs. Lillian Boner.

Miss Schiller chose a white street dress with white accessories and a white veil hat. She carried a bouquet of white carnations.

The attendants were Mrs. Arlene Jackovich, a sister of the bride, and Nick Jackovich. The matron of honor wore a royal blue street dress with matching accessories and a corsage of white carnations.

Breakfast was served, following the ceremony, at the home of the bride's parents.

The young couple will reside in Granite City. The bride is employed at Glick's Department Store, Madison, and the groom is employed at the McDonnell-Douglas Corp., St. Louis.

MORE ABOUT

Burglars

at the C&E Confectionery, 2343 East 24th street, made off with \$50 from the cash register Friday afternoon.

The proprietress, who told police she had never seen the boys before, said they scattered when they entered the store, and as one was making a purchase, another asked her a question. As she walked away from the cash register to answer the question, the third boy apparently reached in the cash register and took two \$20 bills and two \$10 bills.

Burglars broke into Jenkins Confectionery, Klein and Bissell streets, Venice, last night or early this morning, and stole \$5 worth of meat, \$5 worth of cakes, \$5 worth of candy and several cases of soda. Entry was made by prying open the front door with a crowbar or tire tool and the merchandise was removed through a back door.

Service Station Burglary

A patrolman on duty discovered that the Fina service station at 21st street and Niedringhaus avenue had been burglarized on Thursday. The officer said a piece of cardboard had been removed from an overhead door, and the candy and cigarette machines were broken open with a screw driver. An unknown amount of change was missing. The station is operated by Ronald Lupardus.

Thieves used the same means to enter the station a second time Friday night, police discovered early Saturday morning. An unknown quantity of candy and cigarettes as well as money were taken from coin machines in the station.

Skiplight Burglar

A burglar entered the Twilight Tavern, 905 Niedringhaus avenue, through the skiplight early Friday to steal a quantity of cigarettes, two boxes of cigars and several partially empty bottles of alcohol and vodka. The entry was discovered about 8 a.m. Sunday by Michael Antonoff, who told police the loot was valued at \$55.

Wallet, \$40 Stolen

Dollie Synisky, 900 Alton avenue, Madison, reported at 6 p.m. Thursday that while she was visiting on the fourth floor of St. Elizabeth Hospital, a thief stole a red wallet containing \$40 and papers from her purse. She said she had left the purse next to a chair for about a minute.

Rain Moves Park Roundup Program to Pool Pavilion

The Granite City district's was from a washboard band to a close Thursday evening as the group of "tired hillbillies," along with a separate program by the children from ten recreation centers gathered for the annual ten twirlers.

Due to scattered thunderstorms, the picnic was called off, but that didn't dampen the spirits of the participants or the spectators.

The roundup was moved to the pool pavilion, with the help of the Granite City district who plan to attend the high school here when the fall term begins Aug. 30 should enroll as soon as possible according to Lawrence McCauley, high school principal.

The high school office hours are 8 a.m. to 2 p.m.

There have been very few enrollments this summer by students who have attended the district and early enrollment is necessary for class assignments, McCauley said.

Job Development Grant Awarded to SIU-SW

Southern Illinois University has received a federal grant of \$20,040 for support of an institute on job development which will be held later this month at East St. Louis. Authorized by the Department of Labor and distributed by the Bureau of Employment Security, the funds will be used for assembling experts from around the country to study ways and means of training disadvantaged persons.

Ryman H. Frankel, SIU's director of Experiment in Higher Education and special assistant to the vice-president for academic affairs, who is coordinating the program, said more than 50 top representatives of state employment services have been invited.

Scheduled Aug. 14-26 at the Holiday Inn in East St. Louis, the institute will concentrate primarily on a training program for the unemployed and persons marginally employed.

Courses Announced for Night High School Credit Program

A variety of courses is to be offered in the evening high school program being established at Granite City high school this year. Principal Lawrence McCauley announced today. Registration is scheduled for Aug. 22, 31, 7 p.m. to 9 p.m., in Room 105 at GCHS.

While the exact curriculum may vary to a slight extent, the schedule that has been drawn up includes English, mathematics, science, social studies, business education and art.

Mathematics is to consist of general mathematics, algebra and geometry; science—biology; social studies—American history, civics and social problems; and business—typing and stenography.

Remedial and developmental reading also is planned. Purpose of the program is to provide high school courses at night, enabling persons to obtain high school diplomas. However, care will be taken to avoid rivalry among those who would normally attend during the day.

Overall goal is an increased percentage of students completing their high school education.

Primarily for Adults
Principal McCauley explained that "the evening high school credit program is planned primarily for adults who desire a high school diploma."

Names of candidates for graduation will continue to be coordinated with the superintendent of schools and board of education for final approval, as is the case for daytime students.

Some form of recognition program for those qualifying for diplomas at night is being planned by the school board, but specific arrangements have not yet been decided.

Adults will not graduate with the regular high school class. "Adults who have not attended GCHS and are transferring credits from other high schools must earn at least two units in the evening high school credit program to satisfy attendance requirements," the principal said. A total of 16 units is required for graduation.

Ways of Earning Credit
Credit toward a diploma through the evening program may be earned in seven ways:

1. Credits earned in regular day school.
2. Work completed in other accredited secondary schools.

3. Credits earned in the evening high school credit program.

4. Course work completed in military service (the courses must be recorded on the discharge papers).

5. Passing of the General Education Development test (one unit). This test must have been taken prior to enrolling in the evening credit program, and will not be accepted for required courses.

6. Credit may be granted for work achievement having educational value toward graduation requirements for adults after the
